From the Principal...

Grandparents’ Day - It was great to see many visitors to our school last week helping to celebrate Grandparents’ Day. It is always fantastic to be able to share the amazing things that happen in our classrooms with our community.

Easter Raffle - We have had a great response to the 2015 Easter Raffle with lots of sold raffle ticket books being returned to school. A reminder, all sold and unsold raffle books need to be returned to school by Monday 30 March.

Cake Stall - On behalf of the Stage 3 students and teachers, thank you to the families and students who contributed to the cake stall last week. It was wonderful to see the amount of support given to this fund raiser for our students. Everyone seemed to enjoy the cakes and slices that were on offer and I am happy to report everything was sold by the end of the day.

Get Reading Right - A large group of parents were involved in a session about the changes to our approach with reading programs last Friday. This session was led by Jo Dooner who has been working with our teachers and students on how we deliver reading in classrooms. The feedback from our parents was extremely positive. Jo and I look forward to further sessions being delivered over the coming months. Please keep an eye out in the newsletter and come along to learn more about what we do in classrooms to support student learning.

Cross Country Carnival - This Thursday is the cross country carnival for students in Years 3-6. The carnival will be held at Allambie Oval. All students are expected to attend the carnival and support their house and peers. If you have not returned your child's permission note please ensure this is done before Thursday.

Mufti Day - Tomorrow is a gold coin mufti day for all students K-6.

PLEASE NOTE: This Friday (27 March) is the last chance to order a sausage sizzle for the Years 3-6 Athletics Carnival next term AND last day to donate eggs for the Easter Raffle.

Reminder - Permission notes and emergency contact update forms - Please complete all information and sign where indicated on forms. Permission notes and money must be returned together in an envelope to the office. Thank you.

Grandparents’ Day - Last Thursday we celebrated Senior’s Week by inviting grandparents to visit our classrooms. We had lots of happy grandchildren. It was lovely to have you in our classrooms and we welcomed your input into this special day. Thank you too for supporting our Stage 3 cake stall. We look forward to seeing you again.

Values Education - The value for Weeks 9 and 10 is Inclusion. Inclusion is where everyone belongs, is accepted, and supports each other. The philosophy of inclusion is the merging of the special and the general. It is also having all “gifts” of life. Inclusion is both an environment you create and an attitude you carry with you. The impact of inclusion on family and friends is immense. Hence, please encourage your child/children to practise different aspects of inclusion in your family situations. Mrs S. Kumar, Student Engagement.

Working With Children Check - Declaration for Volunteers and Contractors - New regulations by the Department of Education & Communities now apply to all parents/carers who assist with students during any school activities. If you have not already completed the Declaration for Volunteers and Contractors form, please collect a form from the front office.

Generation Fit
Generation Fit has helped hundreds of parents around the area lose weight and get into shape. We run Group Personal Training and Boot Camp Programs that focus on weight loss and toning. We run sessions throughout the week with sessions on at 6am, 9:15am, 7pm and 8pm as well as a Saturday morning session at 7am. The majority of our members are women and if you are interested in trying out our program you can call or e-mail us and mention this ad to start a FREE 2-week trial program with us.
