**From the Principal…**

**Term 2 Holidays** - This Friday marks the last day of Term 2. Please be aware that due to a staff development day, school resumes for students on **Tuesday 14 July 2015**.

**Parent/Teacher Interviews** - Thank you to all of the parents who have taken the time to book appointments with staff. **PLEASE BE AWARE THAT THE BACK CAR PARK AND PEDESTRIAN GATES WILL BE LOCKED FROM 4.30PM. ACCESS TO THE SCHOOL WILL ONLY BE AVAILABLE THROUGH THE ALLAMBIE RD MAIN CAR ENTRANCE.**

Please be aware of the interview times you have been allocated. It is important that parents arrive on time. If you arrive late, teachers will not be able to squeeze you in as it then impacts on the parents following, resulting in interviews running late. Late arrivals may need to book another day and time. If you are unable to make your interview time, please contact the front office to avoid teachers waiting unnecessarily.

**Save the Date - This Thursday 25 June** - Our amazing consultant Jo Dooner will be again presenting an information session for our parents/interested community members. Jo presented to parents last term on how to assist children with reading. This session was highly valued by those parents who attended, and provided some valuable assistance and information for parents. The feedback was outstanding. We are pleased to be able to offer these information sessions, and hope our parents and community take advantage of this opportunity. The session will commence at 9.00am in the school library.

**Mini-Fete 2015** - This year the mini-fete will be conducted in Term 3, Wednesday 2 September 2015. At this stage we are seeking assistance from parents and community members who may have contacts to help Years 5 and 6 with sourcing prizes and other materials that may be useful. Your help in this area will be greatly appreciated by the students. Even if you don’t have a child in Years 5 and 6 this year, you will one day. So if you have any contacts and can assist Stage 3 please contact your child’s teacher. Mr Hamilton or Mr Corcoran. Thank you.

**Values Education** - The value for Week 10 is Consideration. Consideration is being aware of feelings, likes, dislikes and needs of others and adjusting our manners and actions so as not to hurt or offend others. We all need to practice consideration all the time. Students are taught to be considerate of others when walking around the school, when doing work in class and when playing outside. Please encourage your child/children to practice consideration at home as well. Mrs S Kumar, Student Engagement.

**Girls’ Winter Pinafore** - We are now taking pre-paid orders for the girls’ pinafore. Orders for these must be tried on before ordering. There are no refunds or exchange. **The last day to place an order will be this Thursday, 25 June.**

**PHOTOS of STUDENTS** - As you can appreciate, we have very strict guidelines re the taking and publishing of photos of our students. All parents are required to sign permission for photos of their children to be published in school newsletters, school website etc.

I would like to remind parents that they should ensure that any photos they publish or share of their children must not include other students - without their parents’ permission. Unfortunately this has occurred and caused a great deal of upset to families. Please be aware of the possible safety concerns and respect each parent’s right to decide who views photos of their children.

**P&C Meeting** - The next P&C Meeting will be held this Friday at 9am in the Staffroom.
Multicultural Public Speaking - On Tuesday, 9 June the South Western Sydney Multicultural Public Speaking competition was held at Smithfield Public School. Carina Cammareri from 5SM represented our school for Stage 3. The competition was of a very high standard with confident and engaging speakers. Prepared speeches showed an understanding of multiculturalism, was well developed and interesting.

Congratulations to Carina Cammareri for participating in this event. Ms Sami.

2016 Kindergarten Enrolments - Parents are now able to come in and obtain an enrolment package for completion and supply of the usual documentation for their child to start kindergarten in 2016. This will ensure you and your child are included in all important Kindergarten information sent out, particularly for Kindergarten Orientation. If you have family or friends whose child will be starting Kindergarten next year, please make them aware of the process for enrolment at Governor Philip King.
